

MEDIA RELEASE

LIFTING OF WATER RESTRICTIONS FOR THE TOWN OF BOURKE AND NORTH BOURKE

Bourke Shire Council advises all residents of Bourke and North Bourke that due to the strong flows in the Darling River, water restrictions have been removed effective 9.00am, Tuesday, 25th February 2020.

This is the first time in 550 days that Bourke and North Bourke residents have not been subject to any restrictions in relation to water use both internally and externally.

Whilst the water restrictions have been removed Council encourages all residents to be "water wise" and use water efficiently and avoid wastage.

Council wishes to express its appreciation for the cooperation and support shown by the vast majority of residents during this period of extended water restrictions.

End
